At present there is a twin ward for 40 beds with accommodation for 20

men and 20 women.

On careful examination I find 22 beds could be provided on each side within the existing space and without overcrowding.

Also there are 4 rooms at each corner of the ward sufficient to accomoodate one bed, as 'C' class ward. But one of these rooms will not be avaibale for this purpose as it has to be used as a line and store room in charge of the nurse, leaving 3 rooms - One for women and 2 for men.

Hence accommodation for 44 patients in the general ward and 3 patients in 'C' Class paying ward could be provided immediately without any additional buildings; raising the bed strength to 47.

The only extra furniture required would be 5 cots (Godrej), 5 lockers(bedside) and 3 tables and 3 chairs which could be purchased from the present allotment.

I consider this increase is necessary in view of the large number of patients on the waiting list; the work could be managed with the existing staff.

I request that approval may be accorded at an early date.

ANNEXURE

1. Cost of 5 Godrej cots.	Rs.	350-0-0
2. Cost of 5 Godrej Bedside lockers	Rs.	275-0-0
3. Cost of 3 Junior clerks tables or leppoy.	Rs.	210-0-0
4. Cost of B.P.Chairs 3.	Rs.	99-0-0
Total	Rs.	934-0-0

NOTE: Items 1 and 2 to be purchased from M/s. Godrej and Boyce Mfg.Co.as Godrej cots and lockers are now provided, Hence more of this same type are requested. Also their quotation is the lowest. Items 3 and 4 to be purchased from Government PolyTechnic Institute Mangalore.
